

Craft Group Work on your own project or join us as we create items for the children at the Domestic Violence Center. Members could also knit or crochet to make hats or blankets for the children at the shelter, and we're contemplating making a group baby quilt to be finished by Mother's Day. You need only minimal sewing skills for the quilt project. We are asking participants to be responsible for just one 10 ½ square and you don't even need to buy supplies. Please contact Jean Speiser at JeanSpeiser@Gmail.com or 610-738-3363 for additional information.
