## *From the President*

Dear Members and Friends,

It is once again time for us to begin a new program year! I am very pleased that we have several new officers and board members, and a thriving partnership with the West Chester University Women's Center to start off our year.

New Program Vice President, Nancy Dore, has worked with her Co-Vice President Elaine Burgess to plan a fabulous year of programs for our monthly branch meetings. You will find all that information in your Annual Members Handbook that will be handed out at our first meeting in September. If you cannot attend, your handbook will be mailed to you, but you really **do not** want to miss that first meeting! I know that many of you will be very happy to know that our Pot-Luck Supper returns to Grove United Methodist Church this year for our opening meeting on Wednesday, September 14! You can read all about it elsewhere in this newsletter, but make sure to put it on your calendar so you won't miss an enjoyable and informative evening.

We also welcome a new Secretary this year as Helen Reid has fulfilled her maximum terms and Linda Lang takes over that role. I hope you will join me in thanking Linda for taking on this position – I know she will do a wonderful job because everything she does, she does well.

Last but not least, we are very fortunate to have filled the position of College & University Liaison, a spot that has not been filled since Graham Boose finished her term. The new C/U Liaison is Valerie Connors, an energetic, knowledgeable and dedicate young woman who brings us her knowledge and skills from her previous branch in Florida where she led her college group in a grant-winning project for girls. I can't wait to see what we can accomplish here.

I look forward to seeing all of you again, and meeting new members at our upcoming meetings. Please spread the word – AAUW West Chester-Chester County is a vibrant, fun-

loving and committed branch that is a great organization for women who want to share that spirit!

Sincerely,

Fran Pierce, President

## **Branch Member Roselyn Cadoff to Host Art Exhibit**

Roselyn Cadoff will be exhibiting drawings and paintings at the Henrietta Hankin Branch Library on Windgate Drive in Chester Springs, from Sept. 11th through September 30<sup>th</sup>. Her work reflects personal responses to life and events around her, but is also often inspired by color and form found in nature, or may be a reaction to a landscape in an unusual perspective.

Art has always been an important part of Roselyn's life, and is a passion that has given her great joy. Although this is true whether it is shared with others or not, the opportunity to share extends the pleasure. Roselyn invites her friends and hopes they will come and share at this exhibit.

## Help AAUW Save Money

Each year our editors put together eight informative, attractive, and news filled issues of our AAUW SUM newsletter. At current prices, printing and mailing costs exceed \$1.50 a piece per issue, costing over \$12.00 per member per year. For several years, many AAUW members have received their copies via e-mail. Through e-mail they receive the news as soon as it is published. By eliminating the paper copy, they are also making a contribution to a greener environment. If you are not already receiving AAUW SUM via e-mail and would be willing to do so, please contact Elaine Burgess at [danb@chesco.com](mailto:danb@chesco.com).

## Send us your News!

The co-editors of AAUW SUM, Norma George and Nancy Rumfield, are delighted to bring you the September issue of the AAUW SUM newsletter. *We continue to need input from members.* Please send *articles* as Word documents. It is most helpful if you forward your news articles to the *gmail account*: [aauwsumnews@gmail.com](mailto:aauwsumnews@gmail.com), indicating the topic and month in the subject box and cc the President. Norma and Nancy share access to this account, it keeps their work mailboxes from getting filled and makes the process of collaborating easier.

Remember that articles for a given month of the newsletter are due on the 12th of the preceding month. Please provide all necessary information with your submission.

New Members and  
West Chester University

## West Chester University is now an Affiliated Branch!

As of July 1, West Chester University is now an official college/university affiliate of AAUW! The WCU Women's Center served as the home base for our outreach to the students who very quickly became interested in the goals of AAUW, and developed an interest in working with our branch.

Without a doubt, the establishment of an honorary seat on our board of directors for a student leader was instrumental in gaining the interest of the other students. From her seat on the board, West Chester student Jennifer Halligan gained first-hand insight into what it is that makes AAUW tick. Jenn said that she really could identify with our mission and found that our activities and projects aligned well with the goals of the WCU Women's Center.

The center advisor, Dr. Adale Sholock, assisted with coordinating the student involvement in AAUW. Our first project together was a discussion at our February brunch meeting in which several students joined two of our older members, Peg Anderson and Sue Ciorletti, to share with the audience their experiences as college students. Peg had everyone laughing with her tales of hitchhiking in the late 1920's! The current college students brought some notes of sober realism as they told of obstacles to their education in the forms of unsupportive families, insufficient funds and lack of health insurance – all things that were not of much concern to Peg and Sue.

In April, we again coordinated with the students as we marked "Women's Equality Day." The students arranged for a sale table in the student union and created signs to convey the message that women are still only earning an average of .77 to every \$1.00 earned by men. Members of AAUW West Chester-Chester County provided the baked goods that were sold to women for .77 and to men for \$1. The day was a great success and helped to fund the affiliation membership cost for the university to AAUW. We look forward to more collaboration and activities with the young women from WCU.

## **Peg Anderson - Our Member, Friend, and Neighbor**

My path and Peg's first crossed, I believe, about twenty-five years ago at a meeting of the West Bradford Historical Commission, which made us, as Peg so freely said, "neighbors." Peg didn't limit neighbor to the next house or same street, it included the whole township and more, even most of Chester County. I came to realize eventually that to Peg, everyone was a "neighbor" or "practically a neighbor."

In more recent years, Peg and I connected at an AAUW function. Peg enjoyed the meetings, both the social aspects and the educational component of the programs, and as "neighbors" suggested that we should carpool to meetings. She also said I should definitely join her lit group, which I could see was her passion. "We have so much fun," I remember her saying. Like "neighbor", I learned that "fun" was an important part of the way Peg described many things in life. When someone mentioned an activity of any sort, Peg often replied, "That sounds like fun." So I started attending the lit group with Peg, thinking that if Peg, then at nearly 90 could read and discuss literature, I should also. But in truth, I went, and invited Peg to various other events, because I looked forward to her company even more than the scheduled activity.

Along the way, I learned so much. Peg was always full of stories. Every object, every individual, every activity and route and house along the way had a story. Most entertaining were stories of her college years, working in Philadelphia, and moving to her "farm" as a young bride. She stayed at her beloved "Anderlea" seventy years, the rest of her life. She participated in more than fifty Elderhostel programs and traveled extensively, both independently and with others her whole life. Everywhere we went she met people she knew, as well as their parents, grandparents, and "neighbors." Peg's friends and "neighbors" spanned all ages and backgrounds. She was truly happy to see them and remembered their life stories.

Peg inspired me with her attitude and her actions. She valued education, equality, and opportunities for all people, working in numerous volunteer capacities to make that happen. She treated all people respectfully and graciously and was thrilled when they came to see her. Still she never considered that anything she did was especially remarkable. In 2007 PA-AAUW honored Peg with the Susan K. Nenstiel Humanitarian Award. When notified of her selection, she seemed puzzled and deflected praise by commenting. "I don't know why they are so interested in me. So many others have done so much more."

Peg's love of learning, interest in others and spirit of determination and independence continued her entire life. She was always accepting and friendly, practical and outgoing. Peg had been with us for so many years--so active and engaging--it seemed like she would always be here. Certainly that is what we all wanted.

We will miss you, Peg, so much. You left us with so many memories and stories, and we thank you for that.

Written by Elaine Burgess, September 6, 2011.  
*Peg passed away on Monday, September 6, at the age of 95.*
