### *Happy Holidays!*

It is hard to believe that this is the December/January newsletter. Time flies, when you're having fun! This year's programs have not only been informative but also fun! Thanks to the imagination and effort of Peggy and Eva, program co-chairs.

Join fellow branch members and guests to celebrate at the ever-popular Holiday Party on **December 14<sup>th</sup>** at **2 p.m.** at the home of *Carol and Dan Zabriskie*. See the invitation on the front page for all the details. The form can be found on page 9.

You will also have the opportunity to share in this season of giving by bringing a gift card or cards of \$10 or more from Target or Staples. The gift cards will be collected in a basket provided for that purpose and distributed to Dawn's Place, December's targeted recipient.

It is also the time of the year to honor members who are working or have worked hard to make our branch successful. This is your opportunity to nominate a deserving member. You do not need the nominee's permission! Watch for a **separate mailing this month**, with nomination forms and further details.

A majority of members at the November meeting voted to continue the tradition of holding the May banquet at a club or a restaurant. Several venues for the banquet are being explored at this time.

The December "Keystoner", the quarterly newsletter from AAUW-PA, has been forwarded to all members. Don't miss reading the article about Mary Pinkney, our branch member.

A big thank you to the Newsletter staff, to Lyn Eaton, and to all who contribute to making the newsletter a success. Thank you, Sandy, for keeping members informed by maintaining and updating the branch website.

Sue and I are looking forward to a productive and successful 2015, and wish all our members a joyous and restful holiday and a prosperous and healthy New Year!

Dorothea and Sue

## **District Meeting: October 18<sup>th</sup>, 2014**

The West Chester-Chester County branch hosted a very successful AAUW-PA East District meeting on Saturday, October 18, 2014. Fifty-two Pennsylvania members had registered, including fifteen from our branch.

The topics "*Is Public Education Fairly Funded?*" and "*Does your district get its fair share?*" were addressed in detail by the speakers Susan Gobreski and Ian Gavigan. They explained the system of school funding and patiently answered all audience questions. Thanks to Fran Pierce for getting such talented and informative speakers.

The branch could not have successfully hosted the meeting without Mary Smith, Anne Anderko, Donna Eaves, and Carole Valentine. Mary Smith suggested and organized the rental of the wonderful venue, the Uwchlan Meeting House. She also helped decorate with flowers and balloons to make the room festive and inviting. Anne Anderko received all registrations and kept the financial records. Donna Eaves carefully and accurately checked in attendees on the day of the event. Donna also helped to pick up the pre-ordered lunches. Carole Valentine arrived early to help set up and stayed to help restore the meetinghouse to its original state.

Thank you to all who do so much to make our branch activities a success!

*Dorothea*

## West Chester-Chester County Branch Celebrates 55<sup>th</sup> Anniversary!

Our branch celebrated its 55<sup>th</sup> anniversary at the September meeting with the theme "Our Past, Our Present and Our Future." Sandra Norris, Secretary of AAUW of Pennsylvania, was there to give our co-presidents a certificate acknowledging this milestone. Donna Eaves, our branch historian, displayed scrapbooks and other memorabilia reflecting the rich history of our branch. Some of our long-standing members spoke about their experiences in the early days, describing formal tea parties, social events, and travel and political issues that sometimes strengthened or sometimes split the organization. Betty Bradford, Kay Philipps, Martina Ossman, Donna Eaves, Cathy Palmquist, and Mary Pinkney shared their favorite recollections with the group. The most significant change, according to Martina, has been the changes in the ease of communication since the days when ditto machines were used to print information for members.

Our branch has 19 women who have been members for 35 years or longer with Alice DelDuco holding the record for the longest membership, having joined AAUW in 1959, even before the West Chester branch was formed. Co-Presidents Dorothea and Sue handed out certificates and a rose to honor those members.

*Members honored: (from left) Donna Eaves, Mary Pinkney, Cathy Palmquist, Kay Philipps, Roselyn Cadoff, Marina Ossman, Betty Bradford, and Elaine Burgess.*

## January Meeting:

### *Our Local Theaters*

*Jan. 14, 2015 at 7:00*

*Grove United Methodist Church*

*490 West Boot Road, West Chester, PA*

Representatives from three of our local theaters will speak about their productions, their missions, and their guiding principles. Each theater company believes that the plays it presents bring people together and provide opportunities for reflection, discovery, and celebration. Each company extends its mission by offering arts education and outreach programs.

*Wendy Bable* from *People's Light and Theatre Company* in Malvern will highlight this year's season and give information about the arts program for youth. *People's Light* is one of Pennsylvania's largest professional non-profit theaters. Now in its 40<sup>th</sup> season, the theater has a resident company of artists and offers seven to nine plays per season.

*Wilmington Drama League* is one of the oldest community theaters in the nation. Last year, the theater celebrated its 80<sup>th</sup> year. *Kathy Buterbaugh* will speak about this year's plays and the unique place that this kind of theater holds. Neighbors and friends combine their talents and energy to inspire all of us.

*The Barley Sheaf Players* is a community theater in nearby Lionville. A representative will discuss the shows and the effort to promote and encourage the dramatic arts in our region. The theater members continuously look for ways to reach out to the community through complimentary tickets to women's shelters and other organizations, special appearances, and food drives.

*Please join us for a delightful and inspirational evening featuring artistic achievement and community spirit.*

## GETT 2015:

### Location and Date Confirmed

by Mary Allain Smith (pangea49@comcast.net), GETT Committee and PETT Director

It has been quite a challenge trying to find the perfect location for our 15th year celebration of GETT (Girls Exploring Tomorrow's Technology). March is a tough month to book a school. We tried for pi day (3.14.15) but that was not in the cards. We now have March 21, 2015 as our date and we'll return to Great Valley High School. The GETT event was held at this location for two years. We are planning for a new and improved format which has become popular in other parts of the country for girls STEM events. I will get more information as our planning sessions become more involved now that our location has been set.

I will continue as the chair for the PETT (Parent/Educator Exploring Tomorrow's Technology) portion of the GETT program. Volunteers will be needed for the day and possibly for the set-up the eve before as the date gets closer. Please free up your calendars and plan on being part of our celebration. If you have any connections with local companies for funding, prizes, and promotional giveaways please let me know so we can contact them.

For those of you not familiar with GETT or PETT, GETT is an event created by a group of educators and businesswomen, myself included, who saw the need for girls to be encouraged to prepare for a future in IT. Fifteen years and as many events later, it has become a successful STEM (science, technology, engineering and math) event with over 500 girls in grades 6-12 and their parents and educators attending yearly.

PETT is a project of our AAUW Branch, which received a Community Action Grant from Association to pursue the opportunity to give parents and educators the information and encouragement they need to help their girls succeed in STEM. Graham Boose (deceased), Valerie Connors and myself together wrote the grant in 2013 to be used in the 2013-2014 fiscal year. There are many events for girls but the

parents and educators, who are so instrumental in the lives and futures of girls, seemed to be ignored. The PETT committee would like to continue planning and implementing. To do this additional funding sources are needed. If you have a contact within an organization or business that would be willing to support us financially, please let us know. We would love to hear from you. Visit and share our website at [www.aauwgirlsstemcenter.org](http://www.aauwgirlsstemcenter.org)
