

Book Drive and Fundraiser for Laundromat Library League

The Laundromat Library League (LLL) appreciates the many years of support that the West Chester-Chester County Branch of AAUW has given. The monetary and book donations have been not only generous but also vital to the success of the mission to provide books to children who may have few or no books in their homes. With 265 participating LLL sites throughout the country, the need for books is constant.

The branch will hold its **fall book donation** project for the LLL during the month of November. We will collect gently used children's books from Nov. 1 through Nov. 30. Please take your books to the home of Peggy Staarman (307 Benning Lane, Downingtown) or to Anne Anderko's home (908 Pine Valley Circle, West Chester). A collection box will be placed outside each home. Please call or email before you intend to come so that the box will be in place. (Peggy: 610-269-4866; peggstaar@verizon.net) (Anne: 484-885-4943) ananderko@msn.com). If you would prefer to send a **monetary donation**, please make out your check to the Laundromat Library League and mail it to Peggy. Financial gifts enable the LLL to purchase books in Spanish and those with minority characters.

The second project that the branch is supporting is the LLL's participation in **Boscov's Friends Helping Friends** event (501c and/or 170c1 organizations). Boscov's will send the LLL shopping passes for **up to *25% off** in-store purchases on October 20, 2021. The coupon is good for the whole day (8:00 am to 11 pm). You just show your pass at

each department where you purchase something. At the store, you can also register to win a \$100 Boscov's gift card.

As a board member of the LLL, Peggy will mail a pass that costs \$5 to those who would like to take advantage of the discount and support the LLL. Please send her \$5 for each pass that you would like to purchase. You can also pay for and pick up the pass at Peggy's home or she can also deliver it. Anne Anderko will also have a supply of passes that you can pick up at her home. Please contact Peggy or Anne if you would like to pick up your pass. If you would like a pass for yourself and others and prefer to write a check, please make out the check to the Laundromat Library League. The LLL will keep 100% of the \$5 shopping pass proceeds! Each \$50 raised allows the LLL to purchase 35 books in Spanish and/or books with multicultural themes. We would like to mail or give the passes to you by **October 14**. Thank you so very much for your support. The LLL greatly appreciates your enthusiasm for our mission.

*Please check Boscov's website for details. Some departments offer 25% off, some 15%, and others 10%.
