Subject: *__PA Governor Candidates – Election Integrity Platforms__*

Context: Understanding the candidates' platforms on crime is helpful in preparing for the November general election. This information was gleaned from the candidates' websites.

Summary:

Mastriano:
1. Eliminate no excuse mail voting and ballot drop boxes.
2. Enact universal voter ID for those who go to the polls.
3. Increase the number of poll watchers.
4. Immediately end all contracts with compromised voting machine companies.
5. Appoint a Secretary of State with experience in securing elections from fraud.
6. Ban the use of private funds to influence elections.
7. Make millions of registered voters register again.

Shapiro:
1. Veto any efforts to restrict mail voting.
2. Expand early voting.
3. Set up automatic voter registration.
4. Make funds available so that every county can conduct a post-election analysis through a risk-limiting audit
5. Allow counties to pre-canvass mail ballots before election day to reduce delays in reporting election results.

What You Can Do:
1. Continue to follow the PA Governor race on education and other issues
2. Make sure your Pennsylvania family, friends, and neighbors VOTE!
